Subject: RE: 16-2562 St. Regis Enterprises, LLC v. NLRB (6th Cir.)--Board Case No.07-CA-170591

Julie,

Thanks for reaching out to me. You are correct, the Hotel has been working on completing all compliance requirements since the Board Order issued. We only filed the appeal because we were advised by R. Drzyzga that the Regional Office was not willing to work with us to extend/manage the appeal time limits to allow us to complete the compliance process (See attached email).

We now anticipate that the compliance will be complete by the end of the month. As a result, we would like to seek an extension of time on our brief --AND- ultimately a dismissal of the appeal altogether. Should I plan to work directly with you on the extension and the dismissal after the compliance closure of the Region 7 case?

Sam
